

Introduction

The Community Service Network is pleased to publish this Human Services Directory, which lists non-profit, public and private agencies serving Marshall County. The directory is a compilation of community resources useful to consumers and is intended to serve as a convenient reference tool.

The Human Services Directory is conveniently organized into three groupings:

- I Alphabetical Index – Blue section
Lists the name of the agencies and/or acronym and corresponding page number.

- II Subject Index – Buff section
Alphabetically lists all applicable agencies under the appropriate service category and corresponding page number.

- III Agency Descriptions – White section
Contains brief descriptions of agency programs and services including telephone number, address, hours, restrictions/eligibility, etc.

The contents of this directory are based on information provided by the agencies themselves and published with a minimum of editing. The inadvertent omission of any existing agencies is unintentional. Exclusion from the directory does not imply a lack of approval, nor does inclusion indicate an endorsement of the agency's programs, purpose, or quality of services provided.

Complete as we hope this book to be, there may be agencies which have been overlooked or are unknown to us. If this has occurred, please call the United Way office at 641/752-4688. For 24 hours information & referral for Marshall County, call toll free "211".
