

## A message from our co-chairs

We are thrilled to be raising funds for the Marshalltown Area United Way's annual campaign and Co-Chairing this year! Both of us are highly involved in the community!

Kyle hosts the KFJB morning show and graciously serves as an emcee for many local events. Carrie is an active volunteer and has served as chair for Assistance League, Marshalltown Youth Foundation, Community Foundation of Marshall Co., 100 Women Who Care, and the Friends of Marshall County Conservation. Of course, near and dear to her heart is Grimes Farm & Conservation Center!

Please join us in giving back to our community members and help us raise the Bar(r) to reach our fundraising goal of \$825,000

## Our Missions

### EDUCATION

We fund programming that allows tomorrow's leaders to build a better foundation today. With an approach to education that spans from cradle to career, we're ensuring every child gets a strong start in life, teenagers have the tools to learn and grow, and young adults thrive in the job market.

### HEALTH

We strive to make it easier for individuals to access nutritious foods & other basic necessities, along with mental health & abuse prevention services, grief support, disaster recovery, and skill building for those with disabilities to reach self-independence.

### FINANCIAL STABILITY

We support providing every person, in our community, on a path toward financial empowerment. That starts with access to services, job training, leadership development, legal assistance and housing security programs.
