

A message from our 2026-2027 co-chairs

We are honored to serve as the 2026-2027 Marshalltown Area United Way Campaign Co-Chairs. Through our professional and personal experiences, we have both seen firsthand the powerful impact United Way has on local families. From supporting crisis intervention programs to strengthening essential community services, these efforts make a lasting difference in the lives of our neighbors.

Together, we bring backgrounds in public service and family support, along with a deep passion for helping others. We are proud to lead this year's campaign and continue the important work of building a stronger, healthier Marshalltown.

When you give to Marshalltown Area United Way, you are investing in your community. Your support helps provide critical resources, uplift families, and create opportunities for those who need them most.

Join us in making this year's campaign a success—because together, we can create meaningful change!

We support providing every person, in our community, on a path toward financial empowerment. That starts with access to services, job training, leadership development, legal assistance and housing security programs.

HEALTHY COMMUNITY

We strive to make it easier for individuals to access nutritious foods & other basic necessities, along with mental health & abuse prevention services, grief support, disaster recovery, and skill building for those with disabilities to reach self-independence.

YOUTH OPPORTUNITY

We back programming that allows tomorrow's leaders to create stronger roots for success. With an approach to education that spans from cradle to career, ensuring every child gets a strong start in life, teenagers have the tools to learn and grow, & young adults thrive in the job market.
